

The KPA is pleased to announce the Kent Pétanque Academy 2009

Starting in April, for the whole summer, we will be running the 2009 Kent Academy for the junior players of Kent.

To help our junior players develop and improve, the Academy will be a mixture of coaching and games. Each new KPA player will get an exclusive Kent Pétanque Academy

polo shirt. Starting on Saturday 18th of April at 10:30am we will hold a one hour coaching session, with a qualified and authorized coach, followed by two doubles games, finishing at 1pm.

Each of these games will be with a different partner and over the whole five weeks the results will accumulate

with the best player receiving a trophy and prize as "Kent Junior Pétanque Champion 2009".

Every junior of whatever ability is welcome and new players are especially welcome to join the Academy where we can provide boules, so bring a friend.
