Membership Fees	Adult	Junior / Cadet / Minor
	£18	£3

Dear Applicant,

This form is to be completed by new applicants and given to your Club Secretary with the appropriate fee.

Your Club Secretary will forward it to your Regional Membership Secretary who will send a membership card and rulebook to your club for issuing.

Your EPA licence entitles you to play in local, regional and national competitions. To play abroad and at International events your EPA licence needs to be upgraded to an International Licence. If you require an International Licence then include a passport sized photograph with your application. There is no additional fee for this.

Please note that if applying for an International Licence under FIPJP rules you can only hold a Licence for one Nation at any one time. Furthermore if you have previously held a Licence for another Federation then you must obtain their written authority to change Federations.
