

To club secretaries 12 March 2024 - please forward to your team captains.

Welcome everyone to the Kent Petanque Summer League for 2024.

New Season Divisions

Please find attached the new Divisions for the forthcoming season.

Sadly, we have lost a further two teams from the league – Meadow Larks and Lordswood Thunder. No new teams to take their place, so we now have 44 teams in the league.

Maypole have lost their venue and have moved to Tudor Rose and will be known, unsurprisingly, as Tudor Rose. I am pleased to report Tudor Rose are able to offer food this year after matches.

As a result of these changes, this year we will have 3 divisions of 10 teams each, plus two divisions of 7 teams each. Using “crossover games” I will ensure the teams in the divisions of 7 have a full fixture list.

Cup

The traditional season opener, the preliminary cup round is on the 3rd of April 2024. As in previous years the cup will be played early in the season and I will hold the semi-finals and finals, on Wednesdays.

Results

The requirements for results are as follows: -

1. Results are to be entered on the electronic scorecard on the KPA website. Both captains will receive a copy automatically.
2. The captains should check all details and ensure corrections are made where necessary.
3. Scores should be notified by the home team within 48 hours of the fixture, failing which the home team may lose its score.

Final Results

I will accept results posted up until the 48 hours after the final scheduled fixtures.

The final scheduled day of the season is 25th September, and I will therefore accept results that are entered on the system anytime up to midnight on 27th September 2024.

League Handicapped Competition

This event will be held on Sunday 29th September at Hartley Country Club and is open to all summer league participants. There are plenty of prizes on offer and invariably this is an enjoyable occasion for all who take part.

Fixtures

I have not yet completed the fixture lists, but I expect to have these finalised on the web pages in the next week or so. I wish you all an enjoyable season. **Please scroll down for the new season's divisions and the cup preliminary round draw.**
